A Driving Force in the Maritime Industry and in the Community

The Propeller Club, Port of New Orleans is a dynamic organization representing every segment of the maritime industry and associated professions and service.

As a part of a major national organization with chapters throughout the country, the Club's objectives are:

- We are a Nominating organization for the Port of New Orleans Dock Board Commissioners
- To promote, further and support an American Merchant Marine, including shipyards and other allied industries.
- To promote waterborne commerce and all segments of the maritime industry.
- To aid worthy and economically justifiable Great Lakes, river, inland waterways and harbor improvements.

Our local club mission is:

- To promote maritime education in our local schools and colleges.
- To create public awareness of the importance of maritime business to the local economy.
- To create a skilled and educated workforce for our maritime businesses.
